## General information for the DCRC pools:

- Please Note that throughout the week there may be restricted access to parts of the leisure pool due to our aquatic classes and programs. Please call ahead when bringing a group of 8 or more.
- Safety breaks in both pools are called 15 minutes before each hour. Adults may swim with children 2 years and younger within arm reach during the breaks.
- The large slide in the leisure pool is for riders 48 inches or taller, and are able to exit the landing area unassisted. Riders 42 inches to 48 inches are required to pass a swim test before riding the slide. Adults are not permitted to catch riders at the bottom of the slide or reach into the roped-off area to assist them.
- Children 4 years and younger must be supervised by an adult in the water, within reach at all times. Children 9 years and younger must have a parent present in the pool area at all times unless they are participating in the swim lesson program.
